

6 Portable Storage SUPERPOWER Our Customers Love!

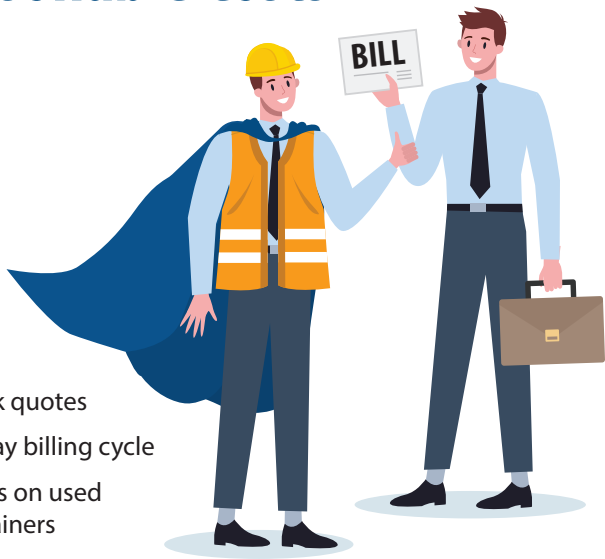

On-Time Delivery

- We understand that your time is precious.
- Our Customer Superheroes are always on time, whether it's for deliveries, installations or pickups.
- Our Superhero team of dedicated Delivery Specialists and in-house fleet ensure we get to your site in a timely manner.

Reasonable Costs

- Quick quotes
- 28-day billing cycle
- Offers on used containers
- Easy-to-understand bills

Delayed Delivery is... No Help!

- Sub-contracted deliveries are more likely to run into delays.
- Delays can cost you money, lost time and additional project delays.

High Costs and Hidden Fees \$\$\$\$\$\$\$!

- Confusing bills
- Out-of-budget container prices
- Hidden costs

Solutions for Everyone

Storage Container

- With every problem comes a unique solution!

Office Container

- Multiple container sizes and accessories.

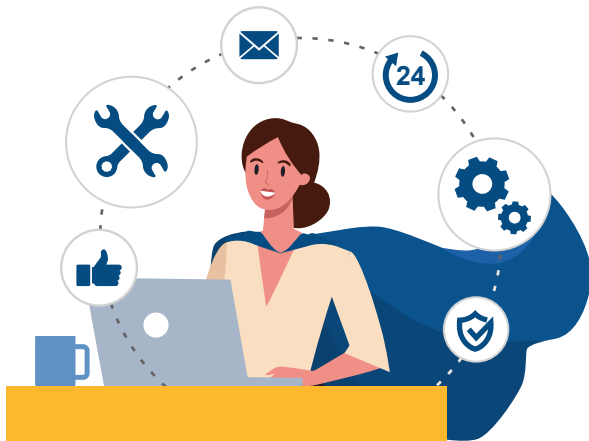

- Customer Superheroes think of everything you need.

Combo Container

A Passion to Help

- Customer Superheroes go beyond "service" - they help solve problems for your business.

Containers That Can Only Solve One Problem

- A lot of shipping containers, but no versatility.

"It's Not My Job"

- No passion to help means not going the extra mile for customers.

Immense Experience

- Delivery Specialists and Sales Representatives who really know their job.
- Gravel? Rain? Inclines? Tight corners? No sweat!

Service Gone Wrong!

- If you don't have the expertise, it shows in your work.
- Lack of experience leads to complications, delays and additional costs.

Learning with Customers

- Customer Superheroes know they learn important lessons while working with customers.
- Your business, your goals, your opinions - they matter.

Transactional Relationships

- "Now that it's over, I'm out of here!"
- When it's just about the money, you don't learn with your customers, and therefore you don't improve.

Do Our Customer Superpowers Work? **Yes!**

From your receptionist to your sales team to your speedy follow up... this was the easiest, most direct and helpful conversation I've had with an organization in weeks!
