

UPWARDLY MOBILE

THE BEST STORAGE SOLUTION FOR YOUR CONSTRUCTION PROJECT

WHETHER YOU NEED CONTAINERS FOR STORAGE OR OFFICE SPACE – OR BOTH – at your construction site, Mobile Modular Portable Storage offers high-quality, high-security solutions for rent or sale.

Portable Storage Unit

- Corrugated stainless-steel walls, robust steel frame
- Securely houses tools, equipment, and materials on-site
- Optional locks and space-saving accessories such as shelving brackets and pipe racks
- Double door and high-security options
- Choose from 10', 20', 24' and 40' length (all 8' wide)

Portable Office Unit

- Use as office or break room, or modify as bathroom
- Securely protects documents and belongings
- HVAC unit and lighting installed
- Pre-stubbed phone and data lines installed
- Optional high-security locks, plan table, and tables and chairs
- Choose from 10', 20', and 40' length (all 8' wide)

Portable Office & Storage Combo Unit

- Use as office or meeting room with storage area
- Interior passage door divides office/storage areas
- Safely store documents and confidential items
- HVAC, lighting, and phone/data lines installed
- Optional locks, pipe racks, shelving brackets, plan table, and tables and chairs
- Choose from 20' or 40' length (both 8' wide)
